👤 PROFILE

Self-motivated Shopware Developer with 4+ years of experience delivering enterprise-level e-commerce projects for clients across Germany and the EU. Skilled in Shopware 6 plugin and theme development, API integrations, and performance optimization, with a strong track record of meeting concurrent deadlines and mentoring development teams. Comfortable working directly with German clients and familiar with Shopware ecosystem and EU compliance standards.

📁 WORK EXPERIENCE

05/2025 – Present
Noida (Remote)

Shopware Developer, 24Infotech

- Lead developer for enterprise-level e-commerce projects using Shopware 6 and WordPress.
- Designed and implemented custom plugins for checkout, product filtering, and API integrations.
- Improved website performance (reduced load time by 30%) and optimized SEO for high-traffic stores.
- Handled client communication and project requirements directly, ensuring clear expectations and timely delivery.
- Conducted code reviews, mentoring, and established internal development standards.
- Collaborated on stages of the systems development lifecycle from requirement gathering to production releases.

01/2021 – 04/2025
Birgunj, Nepal

Shopware Developer, Bay20 Software Services

- Built 4+ Shopware 6 plugins (including "Customer Comment in Invoice" and "Pseudo Price Custom Text") published in the Shopware Store.
- Delivered custom themes tailored to client branding, boosting user engagement by 25%.
- Optimized checkout flow and database queries, leading to faster transactions and reduced cart abandonment.
- Collaborated directly with German clients, ensuring compliance with Shopware ecosystem and EU standards.
- Acted as Team Lead (2023–2025): mentored junior developers, set coding standards, and streamlined workflows.

🎓 EDUCATION

2019 – 2023
Birgunj, Nepal

Bachelor of Business Studies, Tribhuvan University (T.U.)

2016 – 2018
Birgunj, Nepal

+2 (Higher Secondary), St. Xavier's College

PROJECTS

HÜCOBI GmbH

Shopware 6 B2B store for industrial hoses, hose couplings, valves, and fittings, serving industry, agriculture, and environmental technology customers with net pricing for registered business accounts.

Wolfknives – Feines Werkzeug & Handwerk

Shopware 6 store for premium hand-forged tools, knives, and craftsman's supplies, built around a curated, detail-heavy product catalog.

Schmuckzicke

Shopware 6 store for handmade, one-of-a-kind gemstone jewelry, with a large visual catalog organized by gemstone type and jewelry category.

WAP-Nilfisk-Alto Shop

Shopware store for Nilfisk/Wap high-pressure washers, industrial vacuums, and floor cleaning machines, including spare parts, accessories, and a repair service request flow.

Stadelmann Natur

Shopware 6 store spanning natural aromatherapy products, midwifery & health books, sustainable fashion, and organic baby clothing across multiple product lines.

Maibaumshop (Fahnen-Eibl)

Shopware store for traditional Bavarian Maibaum (maypole) decorations, wreaths, garlands, and flags, including custom request-aquote flows for made-to-order items.
